

National Flood Insurance Program Worksheet

Insurance Summary

How many NFIP Policies are in the community?

What is the total premium?

What is the total coverage?

How many claims have been paid in the community?

What is the total amount of paid claims?

How many of the claims were for substantial damage?

How many structures are exposed to flood risk within the community?

Repetitive Loss Properties?

Description of High Risk Areas

Description of any areas of flood risk with limited NFIP policy coverage

Staff Resources

Does the community have a dedicated Floodplain Manager or NFIP Coordinator?

Is that person certified?

Administrative Services provided

Permit review

GIS

Education and Outreach

Inspections

Engineering capability

Description of barriers to running an effective NFIP Program.

Regulation

When did the community enter NFIP?

Are the FIRMs digital or paper?

What is the date and status of any DFIRMs?

Does the floodplain ordinance meet or exceed FEMA or state requirements?

Compliance History:

Is the community in good standing with NFIP?

Are there any current compliance issues?

Are all records well kept?

Community Rating System:

What is the community's CRS Class Ranking

Does the plan include CRS planning requirements?
